ENTREPRENEURSHIP E-GUIDE

ENTRE-FORWARD (Enhancing entrepreneurship skills) is an international project co-financed by the European Commission under the Erasmus+ Programme; the project is implemented and developed by six organisations from six countries (Portugal, Poland, France, Italy, Spain & Greece) sharing the ultimate aim to support upskilling and raising awareness to educators, trainers and guidance practitioners in education training, employment, and the general public on the development of entrepreneurial skills.

WHAT IS IT ?

The aim of this guide is to inform guidance practitioners, trainers, educators, students, young adults, young entrepreneurs and any other interested parts, on entrepreneurial opportunities in Europe and especially in the partnership countries (France, Poland, Spain, Greece, Italy, Portugal) the skills needed, as well as exercises and motivational well as exercises and motivational activities to entrepreneurship learning.

To do so, several parts including educational articles, trainings, tools, motivational exercises and more are provided in the different chapters below :

WHAT DOES IT CONTAIN ?

- 🌀 The first chapter explains the **Entrepreneurship education strategies, how to be an entrepreneur**. The purpose of this section is to provide those who have access to the guide with a clear understanding of how to become an entrepreneur through educational articles, trainings at all levels, workshops, conferences and seminars on entrepreneurship
- 🌀 The second chapter identifies the **Business & Managerial Basics**. The aim of this part is for the readers to gain knowledge of basic managerial competencies, but also the requisite skills for more effective workplace performance
- 🌀 The third chapter refers to the **Media and digital education**. This part will provide access to sources dedicated to digital culture.
- 🌀 The fourth chapter is about the **Assistance and network**. This section will inform the readers about the external support they can get
- 🌀 The fifth and final chapter focuses on **Developing a healthy entrepreneurial mindset**. The objective of this final section is to help the readers develop a mindset that equips them to recognize opportunity, take initiative, and innovate in the face of challenges
