OPI
OPEN INNOVATION
COMPETENCIES

Final results achieved at OPI project

Intellectual Output 5 - OPI Toolkit

A **multi-sensory learning resource** with **practical exercises, case studies, videos and motivational stories**, enabling optimal learning outcomes, creating motivation and engagement within the overall OPI solution.

## Intellectual Output 6 - OPI Online Platform

The **ICT interface** of the project allows access to the contents and tools of the project results in an integrated and interactive way. It will allow participants to access and test designed for their needs resources and tools in accordance with their applicability in a scope of their profile. The structure will permit designing user experience (UX) clearly corresponding to the user profile and objectives.

It is available in **English, Spanish, Romanian, Deutch, Polish and Portuguese.**

BE A PART OF IT

*Try the platform and give us your **feedback**. The best way to work is with the users.*

https://opi-project.eu/es/platform/

Intellectual Output 7 - Open Innovation re-qualification guide

The partnership has consolidated all the experience, tools and materials of OPI project in **practical syllabus/guide for HR specialist** and organisational users/future adaptors for **guidance and building capacities** of unemployed/employees in the risk of unemployment to take on professional roles in the scope of open innovation.**.**
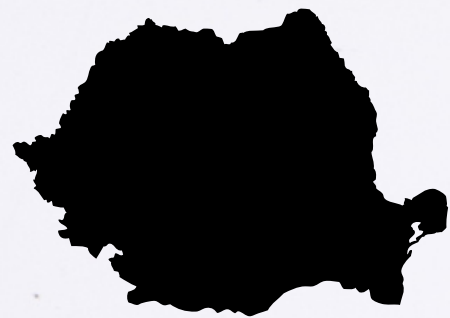

Final Conference in Pitesti, Romania

Friday, 28th of October 2022

Conference Hall, Central Building of the University of Piteşti, 1st floor, Târgu din Vale, no. 1, Piteşti

The Final Conference of our project will be held in Pitesti on 28 October. It will last 4 hours, from 9.00am to 13.00pm.

We will have invited lecturers from the University of Pitesti, invited lecturers specialised in the field of human rights and innovation, and of course, the partners of the consortium who have developed OPI will speak about methodologies and mechanisms for building HR staff competencies to support OI competencies development or how to navigate the OPI Platform. The Final Conference will end with a panel discussion about policy and practice recommendations.
